Directions:

Starcross is a small village eight miles south of Exeter on the west bank of the River Exe, and the Club is situated at Powderham point approx 2 miles from Starcross village on the Exeter side. (Look for the small S.Y.C signpost marker)

Directions from the M5:

Leave the M5 at Junction 30 Exeter

If coming from the North take the third exit (if up from the South take the first) off of motorway roundabout (a dual carriageway) signposted Exeter and Dawlish A379 after approx 2 miles - look out! - filter left follow A379, road then filters into rhs traffic, stay in lhs lane to Countess Weir roundabout, straight over, carry on over the 'lifting bridge'(crosses over the canal), watch for left filter lane to Dawlish A379 as you approach the large round about, filter and turn left, you will then pass under the Motorway viaduct, stay on the A379, straight over the "Swans Nest" roundabout, after approx two miles there is a slight blind left turn signposted Powderham (small SYC sign under) turn left here, (if you find yourself in Kenton village you missed the turn) carry on down this partial single track road past Powderham church (watch out for oncoming traffic on the bends!) and the Club is on your left, under the railway line, "mind your head as you pass under our bridge" and do check your car height before trying to go under, although my Espace has about 15mm clearance!
