Instead turn left, signed Scarborough, and follow the road to the next roundabout (just after a level crossing). Take the right turn to Filey and follow the road into the town, looking for signs for the Country Park. At the roundabout take the first exit and then after about 50m take the left turn into the Country Park.

From Scarborough, turn off A165 to Filey, then first exit (left) at first roundabout in the town. Left after 50metres- bends to Right into Country Park.

Once you've entered the Country Park, DO NOT use the 'pay and display' machines (there is cheap rate parking available from the club). Head through the park until you see a shop. Wait there for instructions as to how to get your boat down on to the beach (it's a military operation run with great precision by the club).
