

Try a 5th April @ BCYC

Try a new one

Try an old one

Try a big one

Pick a time of day between 11am and 4pm to try to win one of the **'Try a 12'** day prizes. Time yourself around a simple course with the fastest getting a prize. With categories for Juniors, Seniors, Admirals cup (older boats) and Families together with the overall fastest time.

Sailing a National 12 is a very special experience. Perhaps it is the sensitivity of the boat when sailing to windward or its instant reaction to a gust, or just sailing a boat that has been refined over the years into what it is now, whichever way you look at it it's a unique experience.

- **Juniors** – Learn to beat the grown ups
- **Family** – Sail with the kids - competitively
- **Experts** – Try to beat the best in the class, it may not be as easy as you might think
