## **Open Meeting (Midland Area Series) Sunday 12<sup>th</sup> May 2013**

There will be a series of three races, the first at 11:00, with 2 back-to-back before lunch and one after, lunch around 13:30. If lots of boats are on the water then we may have flights for the starts to reducing crowding on the line, this will be decided by the Race Officer on the day. The entry fee for the Sunday will be £12, lunch will be available for £4

All are welcome to sail or just to watch, chat and reminisce – but please let us know as soon as possible if you are planning to join us so we can organise the safety facilities and catering
