

# 12 FEST

A new event for 2015, **12 FEST**, takes place 20th-21st June at Northampton Sailing Club. This will be one you won't want to miss with National 12 handicap racing and a grand pursuit race. There will also be a crews race and the Junior Championships Race will be held over the weekend.

Unique to this event professional sailing coach, Steve Irish, will be running coaching on the Saturday. This is a fantastic opportunity to focus on the areas you need support with. You can let us know which skills you want to work on when you register.

As you would expect from any summer event there will be fun and games, including paddle-boarding, for the kids (big and small!) as well as free on-site camping and an evening BBQ provided by the superb galley team at Northampton.

You can register now for discount entry to **12 FEST**. As well as saving yourself £5 off the £25 entry fee for the weekend, you can also answer a few questions to help our Olympic coach Steve Irish know what you would like to cover in the coaching.

All you need to do to sign-up for a weekend of coaching, fun races and much more (and guarantee your discount entry) is follow the link below:
