

National 12 Midland Area Armada Trophy 2011

Dear National 12 Sailor (be you a current or former owner/crew!) I am writing to you (in our 75th year!) to let you know all about the **2011 MAAT “Rivers and Ponds” series**; FIVE meetings in all and there will be prizes for overall and first AC (and possibly more and/or first vintage depending on numbers!) I have also detailed the 2011 Witchcraft Vintage series meetings as two of the MAAT qualify for both. Sadly no North Staffs this year but we welcome back Hykeham as a Midland event. We have been hoping to arrange an open at Midland SC but watch this space! I hope that you will support this year’s meetings as well as 2010 when over 30 boats competed – and if you can’t sail, please just turn up to watch and gossip!? Happy yotting! Paul @ TVSC
