

National 12 Owners Association

2015 Design and T-shirt competition

Prize: Win a National 12 T shirt of your own design! The winning design T shirt will be printed and you will receive a complimentary T shirt that will also be worn by National 12 owners throughout the year

Task: Design a 2015 T-Shirt that is exciting and reflects the National 12 class- a vibrant and exciting family and lightweight two person hiking dinghy that is responsive and dynamic. The T-shirt design should have one colour only so you need to think carefully about how to create an exciting image. To give you ideas, why not go to www.national12.org and look through the picture galleries or have a look at the picture galleries of National 12's on Yachts and Yachting (use the class search option).

You may enter as many times as you like with different designs. Closing date for entries is the end of the weekend of the dinghy show (Sunday 1st March 2015) Entries can be submitted in any of the following ways and you will be informed if you have won by 15th March 2015:

At the Dinghy show- drop into the competition box on the National 12 Dinghy stand

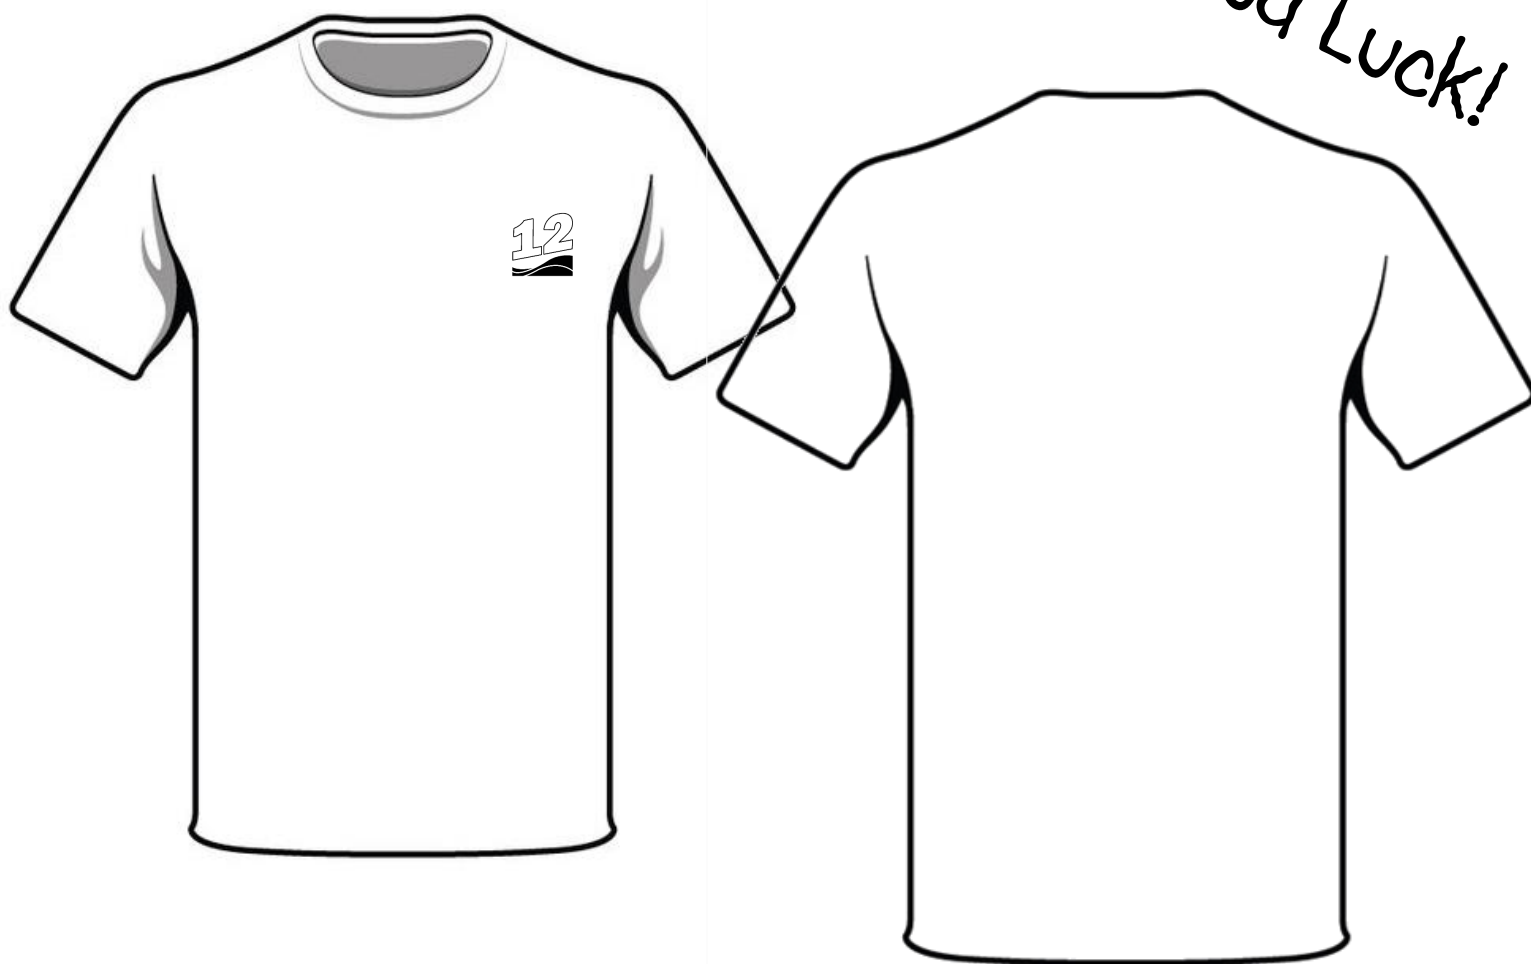

By post (see address at the bottom of the page)

By email- scan your entry in and e-mail to: chairman@national12.org

Good Luck!
